

International Symposium on Plasmid Biology

7–11 September 2026 in Berlin, Germany

Plasmids in bacterial success and adaptation to changing environmental conditions – ONE HEALTH perspective

Don't Miss Your Chance to Present at ISPB 2026

Be part of the global plasmid biology community – but act now. The deadline to submit your abstract for the International Symposium on Plasmid Biology is **24 April 2026**, and **this deadline is final**.

Presenting at ISPB 2026 means sharing your research with an international audience, gaining valuable feedback, and contributing to discussions at the forefront of plasmid science – from antimicrobial resistance to plasmid evolution and beyond.

Make your research visible. Join the conversation.
