

International Symposium on Plasmid Biology

7–11 September 2026 in Berlin, Germany

Plasmids in bacterial success and adaptation to changing environmental conditions – ONE HEALTH perspective

Share your Research

This is the chance to bring your research into the scientific programme of the International Symposium on Plasmid Biology and discuss it with peers from across the field.

Abstract submission Deadline: 24 April 2026

Please refer to the [abstract topics](#) and [abstract submission instructions](#) on the website.

[Submit your Abstract](#)

Win the Plasmid Biology Prize with your Abstract

The Plasmid Biology Prize, which will be awarded this year in memory of [Manolo Espinosa](#), is intended to honor outstanding young scientists.

Nominate yourself or your colleague as a candidate for the award. Authors of shortlisted abstracts will be invited to give a talk at the conference.

The deadline is 1 March 2026

More information about the prize, the nomination guidelines and the contact address for submission can be found on the website of the society:
